Directions:

RC Gold Label 4X is a nutritional supplement for ruminant animals. -Milking cows should receive 1/4 oz. of RC Gold Label 4X for every 10 lb. of milk production. Milking goats should receive 1/4 oz. of RC Gold Label 4X per quart of milk production. RC Gold Label 4X should also be fed to cattle and goats during the 30 days prior to birthing for extra vitamins and nutrients.
